"Brad Smith is a personal friend of mine and his work with Men of Valor is one of the most strategically needed focuses today to get at the root of the church's and society's problems. God has called Brad to help us rebuild on His original foundations. The enthusiastic response to Brad's ministry and message is evidence enough that God has inspired it and is blessing it richly when it is embraced."

- Gary Thomas, Author of "Sacred Marriage" and "A Lifelong Love"

"Brad Smith is doing something unique – teaching and speaking to pastors, church leaders and men overseas about biblical manhood. The masculine crisis is worldwide. Brad and Men of Valor are encouraging and equipping these men to assume their God-given roles as leaders, providers and protectors in their marriages, families and churches."

- Dave Brown, President of Washington Area Coalition of Men's Ministries

CHURCHES, WHERE ARE YOUR MEN?

MEN OF VALOR

CHANGES STARTS HERE

Men only account for 10-25% of church congregations in much of the world.

And it is not surprising when you consider that most of these churches offer little to no focused outreach, teaching, or activities for men. Church male leadership is vanishing, and women are having to fill the gap. Across the globe, there is a desperate need for men to lead their churches, families, and communities and to understand that they are **MEN OF VALOR**.

We partner with local church leaders around the world to reach their men.

Our MOV conferences, retreats, resources, and strategies help men discover that God sees them as **MEN OF VALOR**. We teach them why they are important to God and how to exercise a positive influence and impact through responsible, accountable, Godly manhood.

In addition, these events train men to **LIVE as MEN OF VALOR**; to walk faithfully with their God, as strong, holy, humble, prayerful men of God. We explore their roles as a husband, father, and member of a church and community. We urge them to stand together in order to live a successful Christian life. Plus, we challenge them to consider their legacies – what impact they will have and how they want to be remembered.

And finally, we work with pastors and church leaders to help them reach and keep men in the church.

Do not withhold good from those to whom it is due when it is in the power of your hand to do so. Proverbs 3:27 (NKJV)

Men of Valor is motivated by this proverb to care for others, and it is within our power to do so. When a man lives his position in Christ, it can transform his marriage, home, community, church, and – when this becomes a movement – an entire culture.

This is NOT possible without the support and involvement of many people.

Men of Valor continually seeks and prays for those with a passion to reach men internationally. **WHAT CAN YOU DO?** Each of us possesses unique abilities and resources. MOV eagerly prays for those who can play different roles in this vision. For some it may be a high level of participation such as speaking at a conference, while others are needed to support efforts through their talents and donations stateside.

MOV Team members hold full-time jobs and manage their own family needs and expenses. They are dependent on the Lord for His provision for this ministry through partner churches and individuals. 100% of all gifts go to trip expenses such as training supplies, in-country expenses, and airfare (donations of airline miles are welcome). Please pray and consider what role God may want you to play with MOV. **Learn more at MOVinternational.org.**
